### October Monthly Newsletter

Hi Everybody,

While email is a great way to keep people abreast of important information, sometimes it can be difficult to keep track of all the emails that we receive. CJDSA knows this, and we have come up with a solution.

Below is the compiling of the still-relevant emails that we received in the month of September (with a couple from August). One of the tasks for the Chair for Communications is to collect all the emails we receive each month, categorize them, and send a summary of them to the student body.

The emails have been organized into several categories: Events, Job Opportunities, Research/Fellowship/Grant/Funding Opportunities, General Important Information, and Accolades.

If you want to find one of the emails below, use the subject line in the "Search Entire Mailbox" search bar in your email. If you cannot find a particular email (for whatever reason), just let me know and I will forward it to you.

We hope this proves helpful, and your feedback is valued.

Best,

Jeff
