CONSULTING WORK

(April 2011 – July 2011)

Michigan State University

East Lansing, MI

Project: Overview of Computer Malware

Supervisor: Thomas Holt, Ph.D.; Department of Criminal Justice

Position: Consultant

Role: Examining the creation, distribution, and function of exploit packs and malicious software in the wild. Developing information on malicious software writers and users in on-line black markets and the computer security response using open source data identified via search engines and web content. Analysis and synthesis of materials to improve the legal, governmental, and corporate response to malware.

RESEARCH / INTERNSHIPS

(May 2010 – January 2011)

John Jay College of Criminal Justice

New York, NY

Project: Domestic Violence

Supervisor: Valli Rajah, Ph.D.; Department of Sociology

Position: Research Assistant

Role: Collecting and coding data from domestic violence websites in order to ascertain the ways in which the media and organizational frames situate or define woman who experience partner violence and are involved in drug use.

(September 2009 – May 2010)

John Jay College of Criminal Justice

New York, NY

Project: Sexual Abuse of Minors in the Catholic Church: Understanding the Causes and Context of the Problem

Supervisors: Karen Terry, Ph.D.; Department of Law, Police Science and Criminal Justice; Margaret Smith, ABD; Institute for Criminal Justice and Ethics

Position: Graduate Research Assistant

Role: Utilizing the existing data from the descriptive study The Nature and Scope of Sexual Abuse of Minors by Catholic Priests and Deacons in the United States, in conjunction with a theoretical and micro-analysis of the problem based on data from interviews and surveys, in order generate new knowledge of the cause and context of child abuse in the Catholic Church as well as add to the knowledge of the overall societal problem of sexual abuse of youth in this society.

(March 2010 – November 2010) *John Jay College of Criminal Justice* **New York, NY**
Project: Spatial Analysis of Death Penalty Cases
Supervisor: Valerie West, Ph.D.; Department of Law and Political Science
Position: Research Assistant
Role: Collecting data using WestLaw on the situational variables associated with death penalty cases.

(March 2009 – August 2009) *Criminal Justice Research and Evaluation Center* **New York, NY**
Project: Collaborative Family Initiative
Supervisor: Nancy Jacobs, Ph.D.; Executive Director/Criminal Justice Research and Evaluation Center
Position: Research Assistant
Role: The Department of Juvenile Justice in collaboration with the John Jay College of Criminal Justice Research and Evaluation Center developed a family focused reentry program for youth with mental health issues returning to the community from secure and non-secure detention in New York City. Collected mental health data from treatment files in order to facilitate a needs assessment.

(August 2008 – May 2009) *John Jay College of Criminal Justice* **New York, NY**
Project: Master's thesis
Supervisor: Karen Terry, Ph.D.; Department of Law, Police Science and Criminal Justice
Position: Primary Investigator
An original piece of research that included coding and analyzing serial rape cases from the F.B.I. files of John Jay College in order to determine whether serial rapists specialize in sexual crimes or evidence versatility in their offending behaviors.

(January 2008 – August 2008) *John Jay College of Criminal Justice* **New York, NY**
Project: John Jay College of Criminal Justice and FBI Behavioral Science Unit Collaborative Research Project
Project Director: Gabrielle Salfati, Ph.D.; Department of Psychology
Position: Research Assistant
Role: Coded stranger and domestic homicide cases from F.B.I. files in order to construct a valid and reliable database for research purposes.

(January 2008 – May 2008) *John Jay College of Criminal Justice* **New York, NY**
Project: Empirical Crime Scene Analysis – class linked to John Jay College of Criminal Justice and F.B.I. Collaborative Research Project
Title: Avoiding Detection: An Examination of Adaptive and Maladaptive Behaviors in Serial Homicide
Supervisor: Gabrielle Salfati, Ph.D.; Department of Psychology
Position: Co-investigator
Role: Conducted research on adaptive and maladaptive detection avoidance behaviors in serial homicide. Analyzed eighty-five offenses committed by seventeen serial homicide offenders in order to determine if offenders engage in adaptive and maladaptive behaviors and how behavior changes over a series.

(July 2005 – December 2007) *DeSales University* **Center Valley, PA**
Project: Internship
Supervisor: Katherine Ramsland, Ph.D.; Department of Psychology
Position: Research Assistant
Role: Developed literature reviews on cognition in psychopathy, the history of forensic science, serial homicide, serial killer culture, and the apprehension of serial homicide offenders.

(April 2006) *DeSales University* **Center Valley, PA**
Project: Effects of Aggression in Urinary Dopamine Levels in Male Mice
Supervisor: Boyce Jubilan, Ph.D.; Department of Psychology

Position: Co-investigator

Role: A collaborative and original piece of research that examined the neurotransmitter dopamine and its role in aggressive behavior. Induced aggression in mice and measured dopamine levels in urine in order to determine if levels were significantly higher during or after aggressive behavior.

(November 2005- May 2006)

Reading Specialists

Bethlehem, PA

Project: Internship

Supervisor: Jennifer Monji, M.S.W.

Position: Intern / Primary Investigator

Role: Spent two semesters interning with both adult and juvenile offenders. Participated in group and individual sessions and assisted in informal supervision with staff members. Interviewed adult sexual offenders in an outpatient treatment center regarding sexual fantasy and conducted a qualitative analysis of the content.
