

MARYMOUNT MANHATTAN COLLEGE

SPRING 2012

GUIDELINES FOR PAPERS

DEADLINE: APRIL 27th

Department: Communication Sciences & Disorders
Course Title: Audiology I: Disorder, Diagnosis, & Treatment
Course Number: SPEECH 263 Section1
Instructor: Reethee Antony
Email: rantony@mmm.edu

PAPER 3: SYNDROMES

The paper titled '*Syndromes*' is a write up of your class presentation. The paper, similar to the class presentation must include: brief description of the genetic classification (eg: autosomal dominant/recessive, X-linked), physical characteristics, systems affected, and then a detailed description on the hearing status, required assessments and findings, type of audiological management that is required, prognosis and other associated problems. Include illustrations, when possible. The paper must include an abstract and a summary and/or conclusion. Each group will submit one paper. Please read the syllabus for instructions on the format of the paper. All the references must be cited in APA format.
