

BOOK PARTY

Panel discussion of The Routledge Handbook of Anthropology and the City (edited by Setha Low)

Thursday 2/21 @ 5:30
The Graduate Center, CUNY
Science Center 4102

Prof. Setha Low will chair a panel discussion on engaged urbanism, with Jeff Maskovsky, Aseel Sawalha (Fordham), and Tom Looser (NYU) speaking on their contributions to the book.

Reception follows in 4304

Setha M. Low is a former president of the American Anthropological Association, a professor in environmental psychology, earth and environmental sciences and anthropology, and the director of the Public Space Research Group at the City University of New York
